

Workplaces

- Healthy foods in vending machines or cafeterias
- A positive, supportive team dynamic

What are wellness-supporting environments?

The people, places and other factors in your life that support your wellbeing and help make healthy choices more accessible.

Other factors can include things such as early child development, education, income and other determinants of health.

New Brunswick's Wellness Strategy explores the factors that influence our wellness in more detail. Have a look at wellnessnb.ca/resources/nb-wellness-strategy.

Homes

- A smoke-free home and car
- Preparing and eating meals as a family

Schools

- Safe and modern playground equipment
- Student-led committees or clubs

Wellness-supporting environments are found in all areas of your life.

Communities

- Parks, green spaces and trails available to all
- Breastfeeding-friendly municipal policies
