Community Wide Assessment Results

1. List your scoring results:

Infrastructure	Score	/Possible Total
School Location		/15
Trails		/20
Parks & Playgrounds		/25
Water Activities		/10
Recreation Facilities		/30
Grand Total		/100

2. Based on the Community Wide Assessment results, describe some of your community strengths when it comes to physical activity friendly infrastructure (e.g. connected trail network, centrally located school, sidewalks and paved shoulders in good condition, after-hours community use of school facilities, etc).
